We are so glad you decided to join us as a Corporate Team Captain for Walk to End Lupus Now™. Forming a corporate team is a great way to support the Lupus Foundation of America’s mission while also building camaraderie, developing leadership skills, promoting health and wellness and offering employees a fun way to support a good cause. It is also a great way to raise the visibility of your company in the community.

We encourage you to invite as many people as possible to join in the fun. Friends and family members of co-workers are encouraged to join the team as well. Bigger teams are not just more fun, but they also fundraise more effectively. When you have more team members, your fundraising potential is even higher because more people are fundraising toward a common goal. You're all in it together. Set a goal of recruiting at least 10 fundraising members to your team.

As a Corporate Team Captain, you play a large role in your team's success. It is an important job, and we are here to help you make sure your team is successful and has a rewarding experience!

**Walk to End Lupus Now**

Our Walk to End Lupus Now events are conducted nationwide by the Lupus Foundation of America and its national network to raise money for lupus research, increase awareness of lupus, and rally public support for those who suffer from its brutal impact. Each year, thousands of people across the country join forces with the Lupus Foundation of America and walk with one unified purpose - to end lupus.

Walk to End Lupus Now events are noncompetitive and anyone can participate. Corporations, families, organizations, and school groups build teams of fundraising participants. Participants raise funds by asking friends, relatives, and co-workers to donate to their fundraising efforts.

**Your Role as Corporate Team Captain**

LET’S GET ORGANIZED
Work with your Walk Manager to help you plan your fundraising campaign. The first step is to get your core team together.

— Meet with your Walk Manager and develop a plan that includes fundraising goals, registration benchmarks, fundraising ideas, resources and next steps
— Engage your top level executives and establish the support of leadership and managers
— Set up your team fundraising page on ifaheartland.org
— Check with your Human Resource department for more information about your company’s matching gift program
— Encourage leadership to send an email to the employee base announcing the campaign, the fundraising goal and soliciting additional co-captains. Strive to recruit one co-captain for every 50 employees. Recruit from every department, every shift, every location and line of business
— Work with your Walk manager to schedule a co-captain training. Encourage each co-captain to recruit 10 fundraising participants
— Ask company suppliers and local businesses to support the team or walk with you
— Make sure to encourage employees’ families to join their team as well

— Post information about the team with your contact info in the break room, kitchen and other common areas

About the Lupus Foundation of America

About Lupus
Lupus is one of the cruelest, most mysterious diseases on earth—an unpredictable and misunderstood autoimmune disease that ravages different parts of the body. It is difficult to diagnose, hard to live with and a challenge to treat.

Did You Know?
— An estimated 1.5 million Americans have lupus and ninety percent of the people with lupus are women; however, men and children also develop the disease.
— Research shows that nearly two-thirds of all Americans know little or nothing about lupus beyond the name.
— Despite the widespread prevalence of lupus, research has remained underfunded relative to its scope and devastation.
— Lupus is two to three times more common among African Americans, Hispanics/Latinos, Native American, and Asians – a disparity that remains unexplained.
— More than half of the people with lupus suffer four or more years and visit three or more doctors before receiving a correct diagnosis.

Vendor Campaign - Access your company’s vendors. It is an effective and easy way to build support for your team’s fundraising goal. Speak with your boss or personnel who work with your company vendors (CFO, accounts payable, etc.) about participating. The person that works directly with the vendors writes letters to the companies whose services you utilize every day (Example: printing, car rental, leasing agent, telephone service provider, accountant, insurance broker, attorney, etc.). We have sample letters to get started.

Matching Gifts/Volunteer Grants - Hundreds of companies throughout the nation have a matching gift program to augment their employees’ charitable and volunteer efforts. Check with your employer to see if matching gifts/volunteer grants are available.
