

How to Register!

We want to make sure you have the tools you need to register yourself and your team successfully! A couple of important notes:

1) **Creating a New Username and Password**

EVERYONE will need to create a new username and password when you register on the site. Your previous credentials from past walk seasons may work. Once you create your username and password you will be able to use this login each season moving forward. All your contacts and emails may be saved from season-to-season.

2) **Forgot Your Password?**

You can always [reset](#) it!

3) **Best Internet Browsers to Use**

We recommend using Chrome, Firefox, or Safari (for Mac users) to maximize your overall experience with the new sites. Other browsers have strict pop up blockers and other compatibility issues that may affect the functionality of the sites.

Getting Started

Step 1

- Begin your registration process by clicking on one of the multiple registration buttons on the event home page. **You can form a new team, join an existing team or register as an individual.** As a reminder, all New registrants for the 2020 walk season will have to create a new username and password.

Step 2

- Once you've clicked on the registration button create your team name and designate if you are a *Friends & Family* or *Corporate Team*.
- Note the progress bar at the top of your screen. Use that to track how far along you are in the registration process.
- You can also register as an individual or join a team on this screen by clicking on the links below the "Next" button.

The screenshot shows a registration page for 'Walk to End Lupus Now, New York City'. At the top, a progress bar indicates the current step is '4 Agree to Terms'. Below the progress bar, the page title is 'Walk to End Lupus Now, New York City'. A navigation bar shows six steps: 1 Get Started, 2 Select Options, 3 Provide Details, 4 Agree to Terms, 5 Review, and 6 Make Payment. The main heading is 'Join or Form a Team'. The form includes a 'Team Name' field with a green arrow pointing to it and a label 'Choose Team Name'. Below this is a 'Team Fundraising Goal' field set to '\$1,000.00', with a 'Suggested Team Goal: \$1,000.00' note. The 'Team Company' section has a radio button selected for 'Choose an existing value' with a dropdown menu, and an option for 'Enter a new company'. The 'Team Division' section has a dropdown menu with 'Family/Friends' selected. At the bottom right is a purple 'NEXT STEP' button. Below the button are two links: 'I would like to join an existing team' and 'I would like to participate as an individual', both with green arrows pointing up to them. On the right side of the page, there are social media icons for Facebook, Twitter, Email, and a plus sign for more options.

Step 3

- **Choose your participant type:** You can choose to be a *Walk to End Lupus Now Walker* or a *Trailblazer to End Lupus*. | A Registration fee may apply to all walkers. The *Trailblazer to End Lupus* are a group of walkers striving to be top fundraisers and have set a goal to raise at least \$1,000 for their respective Walk.
- **Set Your Fundraising Goal:** As a *Walk to End Lupus Walker* your fundraising goal will default set to \$250 and as a *Trailblazer to End Lupus* it is \$1,000. However you can up your goal to any amount you wish!
- **Initial Gift Donation:** You have the opportunity to “kick-start” your fundraising campaign by making an initial donation to yourself. Choose an amount and your donation will appear instantly after you complete the registration process!
