For additional information, visit lupusindiana.org or call 800.948.8806 or 317.225.4400.

The philosophy of LFA support groups is to provide a warm and caring environment where people with lupus, their family members, caregivers, and loved ones can share their experiences, methods of coping, and insights into living with lupus. LFA support groups encourage and accept people as they are and provide a comfortable learning environment to help them develop the best coping strategies to reduce stress that often accompanies living with a chronic illness.
