THIRD-PARTY FUNDRAISER GUIDELINES

The Lupus Foundation of America, Indiana Chapter, Inc. (LFA-IN) defines a "Third-Party Fundraiser" as any fundraising activity by a non-affiliated group or individual, where LFA-IN has little fiduciary responsibilities and little or no staff involvement.

These fundraisers may include two types:

• Non-affiliated - This type connects funds for lupus with an existing event, activity or program, and a portion or all of the proceeds are donated to the LFA-IN.

• Special Interest - This is the organization of an independent event, activity or program specifically designed to raise funds for lupus, with all net proceeds go to benefit the LFA-IN.

The LFA-IN is extremely grateful to the many outside persons who wish to organize fundraisers to support the research and programs we fund each year. However, only those "Third-Party Fundraisers" which meet specific criteria, and legitimately and genuinely benefit LFA-IN, will ordinarily be endorsed. Each fundraiser will be reviewed on a case-by-case basis.

The following are the LFA-IN approved guidelines for a "Third-Party Fundraiser." Both the outside party and the LFA-IN must agree upon these guidelines. A Third-Party Fundraiser Application should be submitted for review and approval before initiation of the fundraiser takes place, and a new application is required each year for annual fundraisers.

PROMOTION

The fundraiser will be promoted and conducted in a manner to avoid statement or appearance of LFA-IN endorsing any product, firm, organization, individual or service.

The LFA-IN reserves the right to decline association with any organization and/or fundraiser when it believes that such association may have a negative effect on the credibility of the LFA-IN.

The LFA-IN encourages all "Third-Party Fundraisers" to establish a timetable and action plan a minimum of three months before the fundraiser. An LFA-IN staff person can provide...
guidance to aid in the development of committee structure, marketing and deadlines.
The official logo of the LFA-IN should be appropriately used in conjunction with such a fundraiser, but may not be altered in any way. Any use of the LFA-IN logo must adhere to the LFA’s Official Branding Guidelines which will be provided after approval of the fundraiser's application.

Promotional materials will be the responsibility of the organizer; however, all marketing materials bearing the LFA-IN’s name or logo must be reviewed and approved by the LFA-IN prior to production or distribution. Promotional materials are including, but not limited to, advertising, letters, brochures, flyers, websites, social media, and press releases.

Promotional and/or advertisements cannot be purchased with LFA-IN funds. Any such advertisement should be the result of underwriting or sponsorship related to the fundraiser.

The LFA-IN reserves the right to participate in similar promotions and other "Third-Party Fundraisers."

The LFA-IN reserves the right to decline endorsement of a fundraiser if other non-profit organizations are beneficiaries and/or involved in the event without mutual compliance.

LIABILITY

The LFA-IN is not financially liable for the promotion and/or staging of a "Third-Party Fundraiser."

Alcohol at such an event should be avoided unless it is believed to be important to the success of the fundraiser. Recommended: Alcohol disbursement should be via a "cash bar" and availability should not be promoted. Restaurant or facility staff should serve attendees and/or participants. Proof of age will be required and signs posted to that effect. Alternative means of transportation should be available to attendees and/or participants.

"Third-Party Fundraisers" organizers must have participants complete a waiver for release from liability when requested by the LFA-IN.

All responsible parties should provide evidence of liability/property insurance applicable to the activities of the event. The "Third-Party Fundraiser" organizers may be involved with various vendors during the event. They should provide evidence of insurance and include the organizers as additional insured. Depending on the extent of LFA-IN involvement, we should be listed as additional insured as well.
ACCESSIBILITY
All "Third-Party Fundraisers" should be accessible to people with disabilities. The event should take place at a location that meets ADA regulations.

"Third-Party Fundraiser" organizers should promote and make arrangements for any special accommodation needs by participants, volunteers, and/or staff.

REVENUE GENERATION
For Special Interest Events, 100% net (minus campaign expenses) income must be remitted to LFA-IN.

For Non-affiliated events, a minimum of 50% gross income should be remitted to LFA-IN. However, exceptions may be made depending on the magnitude of the event, or other factors determined to genuinely benefit LFA-IN through its endorsement.

All promotional materials must clearly state the percentage of proceeds and/or the portion of the ticket price that will benefit the LFA-IN.

The LFA-IN must receive all net proceeds within 45 calendar days of the conclusion of the fundraiser.

TAX ISSUES
According to Section 170 of the Internal Revenue Code, the general rule is, "There shall be allowed as a deduction any charitable contribution (as defined in subsection (c)) payment of which is made within the taxable year." Subsection (c) goes on to define the term "charitable contribution" as meaning a gift to or for the use of qualified organizations. To become qualified, most organizations must apply to and be approved by the IRS. If a payment is made to an organization that is a qualified organization, the payment is a charitable contribution.

ORGANIZATIONAL ISSUES
The Lupus Foundation of America, Indiana Chapter, Inc. has applied to and been approved by the IRS as a charitable (qualified) organization as defined by Internal Revenue Code Section 501 (c)(3) meaning that contributions to the LFA-IN qualify for the maximum charitable contribution deduction under the Internal Revenue Code.

PRACTICAL ISSUES
A difficulty arises when an independent, outside organization wishes to raise money for the LFA-IN. If the payments are made to this independent organization and it is not a qualified organization, the payments will not be deductible for income tax purposes. If the payments are payable to the LFA-IN, then they qualify - to the extent allowed by law.
