

Ways to Get Involved

Walk to End Lupus Now

Our *Walk to End Lupus Now* events are conducted nationwide by the Lupus Foundation of America and its national network to raise money for lupus research, increase awareness of lupus, and rally public support for those who suffer from its brutal impact. Each year, thousands of people across the country join forces with the Lupus Foundation of America and walk with one unified purpose – to end lupus.

Walk to End Lupus Now events are noncompetitive and anyone can participate. Corporations, families, organizations and school groups build teams of fundraising participants. Participants raise funds by asking friends, relatives and co-workers to donate to their fundraising efforts.
