

# Lupus Research Study

You Could Change  
the Care of Lupus.

## UT Southwestern Medical Center

**UT Southwestern Medical Center** is now recruiting volunteers for a clinical research study to evaluate the efficacy and safety of an investigational drug in subjects with active Systemic Lupus Erythematosus.

### To qualify, you must:

- Be 18 years of age or older
- Have Lupus for at least 6 months
- Be able to attend all clinic visits for over a period of about 56 weeks
- Agree to use appropriate birth control measures during the study
- Be on stable doses of lupus medications
- Have no other significant diseases or conditions

Qualified participants may receive reimbursement for study related expenses
